SALT Business:

SALT team girls presented about the coat drive. They said 297 items were collected and shared with 4 Utah County locations and 2 in Salt Lake City. The Clark family provided donuts and milk for the class with the most donations.

SALT will be selling Val-o-grams from February 6-13 and delivering them on February 14th. They will be available during Parent Teacher conferences, during lunch, recess and after school. Mrs. Wakamatsu would provide a flyer to the PTA to send out. Val-o-grams are a note and a treat.

School Business:

Mr. Brunner shared that they have organized a Literacy Committee. One teacher from each grade is on the committee. Notes will be sent home about how to study Lexia at home to further this effort. In addition, the school will have a reading contest from January 22-February 2. There will be an online form to track minutes. The office will have a sheet for those who do not have access to a computer. The top 2 readers from each class will go to Pizza Pie Café with the principal.

Battle of the Books:

Erin Barnes shared what the group has been doing. They have been playing games to see what they know and would be making a 20 book club and hang pictures of those children who read 20 of the books.

Book Fair:

Amy Oakey said Darlene is the chair if there are questions and that volunteers are needed. In addition, she said it would be February 6-9.

Knowledge Bowl:

Lexie Sakar mentioned a need to collect from more students and asked for suggestions in this. Budgets were confirmed as well.

Spelling Bee:

It was shared that the trophies are ordered and that a pronouncer had been found. Mr. Brunner would be presenting trophies at the end of the program.
