Principal's Message - Mr. Jeremy Brunner

Welcome to another great year at Foothill Elementary! I am so grateful for the opportunity I have to be the principal here and look forward to working with you and your child this year!

Student safety is our number one priority, but we need your help! Please support our student safety efforts by remembering these important things:

1) Be safe in the drop off zones. Do not park your vehicle in a red curb zone, and only let your children in and out of your vehicle by using your vehicle's doors that are closest to the curb. Only allow your children to cross the drop-off zone by using the crosswalk. Drive slowly and never use your phone while in the pick up zones.

2) Sign in at the office whenever you visit the school during the school day. Aside from the front main doors of the school, the exterior doors to the building are locked once school gets going and so please use the front middle doors. Even if you are just running in for a moment, we need you to sign in at the front office.

3) Teach your child about what to do after school. If your child rides the bus, encourage him or her to hurry to the bus after school each day. If your child gets picked up from school, teach him or her to come to the office on days when rides are running late. If your child walks to get home, teach him or her about staying with a group of friends and about stranger danger.

The teachers and staff at Foothill do a great job of providing a safe and nurturing environment. With your help, this will be another great year!

Thank you for your support.

PTA President's message

Priscilla Beckstead

Aloha! My name is Priscilla Beckstead. I am the incoming PTA President for Foothill Elementary. I have five children, my oldest, is a senior in high school this year. I can't believe that she was a first grader here at Foothill in Mrs, Bethel's class. My how time flies! As a family we have enjoyed our time at this school.

Foothill Elementary is a great school for many reasons. The teachers here are absolutely amazing! The administration and staff are invaluable! And the parent support is remarkable! Whether you are a new family to our school or a "seasoned" Explorer family, you can be assured that your child will receive an excellent learning experience.

The PTA will continue to sponsor the many programs at our school. Some of those wonderful programs are Art, Music, Teacher Grants, Battle of the Books, Knowledge Bowl, Lunch Activities and so much more. We hope you will support these incredible programs by joining PTA. Our goal this year is to double our membership from last year. We strongly encourage each parent to get involved, to join PTA, to give each child a voice. Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. We would benefit from whatever effort you can give, from completing projects at home to heading a program after school. We need you!

This year we'd like to personally invite you to one of our PTA monthly meetings. At the meetings we discuss recent issues, provide new information and updates on upcoming events, current programs and financials. Visit our website, <https://oremfoothillpta.org/>, for meeting dates and times. The PTA annual membership is \$5. Join Today!

As a new PTA board we are also focusing on improving our ability to reach each family. We are working harder to foster better communication with teachers and staff. We want to improve and encourage more frequent and open communication between us. Check out our new and improved website and we invite you to follow us on Facebook and Instagram where you will find all the latest news.

I am excited about this new school year! Foothill elementary is a special school. With your help we can make a difference and continue the long history of success.

Priscilla Beckstead

PTA meetings will be held on the first Wednesday of the month at 11:30 am in the Library. Light refreshments will be served. Please consider joining PTA!

Welcome back parents and students! I hope you all had a wonderful summer! Here are a few health reminders for our upcoming school year.

1. If your student has a health condition requiring care or possible care at school, please notify me or your student's teacher. I will need to have you complete a health care plan that will be kept on file at school so we know what to do to keep your child safe at school. These health care plans are available in the office.

August Box Top News

Welcome Back Parents and Foothill Explorers!!!

It's time once again to dig out the Box Tops you've been collecting all summer. Last year Foothill earned \$1,146.20. This means that last year Foothill students turned in 11,462 Box Tops. While that is a lot of Box Tops we did not reach our goal of 22,500 for the 2017-2018 school year. Our goal for this school year is to step up our game to collect 22,500 Box Tops and earn \$2,250. These funds are made available to our teachers for fun and inventive hands-on projects in the classroom. We look forward to partnering with you to make this happen.

Our August goal for each student is to attach Box Tops to the "Back to School Box Tops Collection Sheet" and turn it in to their teacher. Glue or tape one Box Top to each of the Box Top balloons or to make it easier just stuff them in a baggie and staple the bag to the Box Tops collection sheet. **REMEMBER** to put the student and teacher names on your sheet. Each student that turns in a "Back to School Box Tops Collection Sheet" with at least 10 Box Tops will receive a prize. If every student at Foothill turns in a full collection sheet, **we could earn more than \$3,000.00 for Foothill in August!!!** What a great way to get our school year started!!!

We'll be handing out different collection sheets each month for students to complete and return. Starting in September, the collection sheets will include places for 10 Box Tops. Each month, every child that returns their collection sheet with at least 10 Box Tops will receive a prize. Of course, you're not limited to the collection sheets. Box Tops Collection Bins will be in each classroom and in the Office. So keep clipping Box Tops!!

Thanks for your support of Box Tops for Education. It's a simple program with great rewards. We look forward to having our best year ever!

Box Tops for Education – FAQ and Important Information

(for more information see flyer)

- Do I have to cut out the box top perfectly from each package?

NO!!! Just rip it off the fastest way. As long as the Expiration Date and 4 Letter Code are intact, it counts!

EXAMPLES THAT WORK:

4 Letter Code is intact and Expiration Date is intact & has not expired.

THESE DO NOT WORK:

4 Letter Code is cut off &/or Box Top has expired or expiration date is missing.

- Do I have to use the collection sheets that are sent home?

NO!!! Put all your Box Tops in a baggie or envelope and include your child and teacher names on it.

- My child didn't receive his/her prize. Why?

Each month there are many collection sheets returned without a name on them. Please make sure to put your child's name on each collection sheet or baggie/envelope that is returned. Otherwise, we have no way of knowing whose it is and who should get the prize.

- What is the Box Tops for Education website and what can I find on it?
