

25th Annual

Teddy Bear Picnic

We will be celebrating 25 years of Teddy Bear Picnic starting the second week of March. We will have guessing contests, drawing of stuffed animals (please enter before school) and prizes during lunch! We will also have a bear decorating activity for all who want to participate. See the lunchroom for your bear to take home and decorate!

Finally, the festivities will end with the Teddy Bear Picnic on March 28, 2014! We will have the drawing for stuffed animals on this day. Please come and have a picnic with your child. They are welcome to bring their stuffed animals. We may have some special guests coming also!
