Winter 2020 Extracurricular Classes

We have several amazing after school classes to offer this Winter! Here's some important information about signing up for classes:

- All classes will be held weekly from **Tuesday, February 11th through Thursday, March 5th from 3:35-4:20pm.**
- By signing up for a class, you are committing to pick-up your student at 4:20pm. If you are late, your student will be dropped from the class. As the \$10 fee goes towards class supplies, there will not be any refunds.
- Only the student(s) registered will be able to attend each class. Younger/older siblings (not in the class) will not be allowed to attend or wait in the hall or lobby. There is not supervision for siblings.
- Starting at 4:00pm today, you can register at <https://grovecrest.alpineschools.org>
**If experiencing problems, try using a different internet browser or a computer instead of a cell phone.
- Classes fees are \$10 each (for supplies and the cost of the instructor) and fill up quickly. **You *MUST* first reserve your student's spot online. Then, return the completed blue form (on the back) and pay for the class within two school days.** If you don't, the spot may be given to another student. You can pay with cash, check (payable to Grovecrest Elementary), or by calling or coming in to the office to pay with a credit card.

Tuesday After School Classes

- **Piano (1st-3rd Grade)** – Learn some basic skills and a few simple songs. Taught by Mrs. Houston in the Music Lab.
- **Beginning Recorder Class (4th -6th Grade)**- Learn some basic skills played on the recorder. Taught by Mrs. Johnson in Room 217.
- **Lego Club (3rd-6th Grade)**- We will be working on engineering challenges that can all be completed with Legos! Students will put their minds to the test as they work through new puzzles and tasks. Taught by Miss Derksen in Room 131. All Legos will be provided.
- **Crazy Art with Mrs. De (3rd -6th Grade)**- Come enjoy some CRAZY art!! You will LOVE it! Taught by Mrs. DeStJeor in the Library.

***** **Wednesday and Thursday Classes Continued on the back** *****

Wednesday After School Classes

- **Crazy Art with Mrs. De (3rd -6th Grade)**- Come enjoy some CRAZY art!! You will LOVE it! Taught by Mrs. DeStJeor in the Library.
- **Graphic Design (3rd-6th Grade)**- Learn about Graphic Design and how to create cards, flyers, invitations, Logos etc. Taught by Miss Derksen in Room 131.

Thursday After School Classes

- **Lego Club (K-2nd Grade)**- We will be working on engineering challenges that can all be completed with Legos! Students will put their minds to the test as they work through new puzzles and tasks. Taught by Mrs. Houston in Room 227. All Legos will be provided.
