

SCC meeting March 6th

Attended- Brad, Brady, Nichole, Natalie, Missy, Rachel, Kim, Shauna,
Heather, Amy.
Melissa excused.

-We need to make a new goal before we vote to move 1978 from Textbooks in Literacy goal to Science goal.

-Natalie makes a motion to move money from textbook and summer collaboration to technology.

Amy second that motion
Missy called for vote
The vote passes was unanimous.

-The greatest academic needs of the school this year.

-Last Year Scores

Math 57%

LA 58%

Science 62%

-Heather would like a math goal this year.

-We will need a Science goal for next year.

-We still want a Language Arts goal for next year.

-2 Goals for Language Arts

Sage for the upper grades 2%

Dibels for the lower grades

-Math goal what progress do we want to see?

-We could use the funds for math aides.

-1 aide working for about 170ish days would be 7,000.

-Nichole asked if the older grades group into high, middle, low and switch with other teachers for math.

-In the aides budget right now it is Dibels and double dosing aids (K-6 minus 3rd).

-Write down needs and see what is left.

-Proposed

\$91,997.00 Total

Summer Collaboration- 14,000
Teacher Aides- 30,000
Contracted Subs Kelly Services- 3,500 (25 people 1 day)
Professional Development (Ron Clark, Deep Space) – (2200 per teacher to send to Ron Clark) 16,000
Textbooks- 1,000
Materials and Supplies- 3,000
Computer Equipment/Technology- 21,000
Computer Software- \$3000
Total 91,500

- We need to use our technology more effectively.
- Nichole and Kim need more money for the library smart board to be mobile.
- We have to get specific on the details in each category.
- 7 ipads for 1st grade from this years funds
- We need to find out how many chrome books need to be replaced so we have a hard number.
- Kim makes a motion to approve budget as written
Missy seconds that motion.
- Motion to adjourn
Passed
