

HIDDEN HOLLOW SCHOOL CROSSING CHANGES. DISMISSAL. November 2021

We are glad to announce that our new crosswalk is ready for use. The new crosswalk will serve pedestrians traveling east. Our previous crossing point will continue to serve pedestrians going north across Pony Express Parkway.

To assist drivers turning at the light at the junction of Pony Express and Hidden Valley Parkways, we are moving all eastbound pedestrian crossings to the new crosswalk.

A goal we all can agree on:

SAFETY FOR ALL STUDENTS AND PATRONS.

To accomplish this, we want to keep children and traffic separate and predicatable, both for pedestrians and drivers.
