

Highland Elementary School Community Council

November 3, 2016

Minutes approved

Informational: Brittney excused. Jamie Wride no longer District Rep. Brittney is our District Rep

Updates on training:

- School community council no more training video. More info at schoollandtrust.org.
- Elections by Oct 20. (Ours were completed on time)
- Civic and character training can now be included at 20% or 5k

Internet Safety:

- Reviewed current cyber security at the school.
- Iboss is current security filter.
- Wifi security and changes to password protections have made it easier for teachers to get more bandwidth.
- MDM is new this year and working well.
- Internet not accessed a ton at our school by students on personal devices. Personal devices seem to be an issue in 5th and 6th grades. Policy is devices must be powered down at school.
- Most of the school agrees to Internet policy. Only a handful of students do not have permissions slip signed.

Next meeting

- No December meeting.
- Next meeting Jan 5, 2017 (new year)
