February 8, 2017

Attending: Tom Tillman, Rebecca Larson, Lucie Holman, Tami Galbraith, Taryn Jones, Rachel Baldwin, Amberlie Benson, Jimmer Stranding, Katherine McCaman (observing only), Jennifer Thomas DCC Rep

Review of Previous Meeting/Old Business

Went over testing results and compared them with the result from the rest of the district. Legacy is performing well at 87% of students reaching their benchmark. Principle Tillman proposed that we raise our goal to 90% of students reaching benchmark.

Follow Up From Teacher Collaboration

Rebecca Larson, Lucie Holman and Taryn Jones we all able to attend the teacher collaboration and the consensus from the teacher is that we need to increase the number of aide hours and get more technology into the classrooms.

Spending Proposal by Taryn Jones

Taryn proposed that set aside funds to get more technology into the classes and that we double our booster club spending. She also proposed using funds to help put in a side walk that is missing from 1500N to 1400N from Highland to American Fork. It was discussed that unfortunately that is not in the capacity of the proper trustland fund spending. Next meeting we Principle Tillman will bring in past budgets and we will see if we can implement some of the booster club and technology proposals in this year's spending plan.

Next Meeting Dates and Agenda

The next meeting will be Mar 8th. Possible agenda items:

- Go over spending budget from last year.
- Identify the greatest academic need of the school and set goals based off the need.
