

Legacy Elementary Community Council Minutes
November 14, 2017

Attending: Tom Tillman, Rebecca Larson, Taryn Jones, Jimmer Standring, Katherine Mccaman, Lucie Holman

Not In Attendance: Nicole Pasquini, Misha Bacca, Jennifer Thomas (District Rep)

SNAP Update

As of this year Legacy's SNAP plan is out of date. Principle Tillman and Misha Bacca will be working together to update the plan.

Digital Citizenship

Currently the computer teachers cover much of what is required of the digital citizenship program. Principle Tillman is making arrangements with the program Netsmarts to provide 2 different trainings to cover the rest of the requirements of the digital citizenship program.

Language Immersion

A few months back a survey went out from the Alpine school district gauging the interest in having a language immersion program. There was a large positive response and Spanish immersion seemed to be the language that got the most support. Legacy is being considered as one of the schools that will house the Spanish immersion program. One of the positive benefits of Legacy getting this program would be attracting more students to Legacy and bringing up enrollment numbers. It should be noted that there is no timeline as to when or if this program will be implemented.

Vote on Chair and Co-Chair

Taryn Jones will maintain her role as Chair but requested that she have a Co-Chair to help out with some of the responsibilities of the position. After some discussion Jimmer volunteered for the position. The voting went as follows:

Taryn Jones called for a Nomination for Co-Chair.

Rebecca Larson nominated Jimmer Standring.

Lucie Holman seconded the nomination.

Taryn Jones called for a vote on the nomination.
