

## OUR VISION:

### EFFECTIVE COLLABORATION

Each Monday, students at Lehi Elementary are released one hour early for teachers to collaborate. Teachers working in collaborative teams afford a way for self-improvement while keeping student learning central.

Effective school research also shows positive outcomes for student learning in collaborative schools.

Programs in Alpine School District have validated the power of collaborative Professional Learning Communities. We are excited to use the time during collaboration to focus on four essential questions:

**What do we expect students to know and be able to do?**

**How will we know what students have learned?**

**How will we respond to students who aren't learning?**

**What will we do with students who already know?**

These four questions provide a framework for analyzing data, developing learning benchmarks, developing common assessments, comparing results, and implementing strategies focused on student learning. Through this process, teachers are able to identify strengths as well as areas that need improvement.

### 10 REASONS WHY LEHI ELEMENTARY IS SUCH A GREAT SCHOOL

1. Friendly Student-Body, We are a Family

2. Dedicated & Caring Faculty

3. Extension Learning Programs

Gifted & Talented Program, Knowledge Bowl, Spelling Bee, Science Fair, Flex Time, Robotics Club

4. Intervention Programs

Double Dosing for Math and Reading, Reading Recovery, Flex Time

5. Fine Arts Programs

Band, Ballroom, Choir, Chime Choir, Arts Imbedded Curriculums, School Plays, Drama Club

6. Well Maintained Facility & Grounds

7. Professional & Helpful Support Staff

8. Partnership Between School & Parents

9. Supportive & Engaged PTA & School Community Council

10. Innovative School that uses Technology

## Our Values

### L.I.O.N.S

Learning for All students is our primary aim

Individual students are our main focus

One Entity, we are united in purpose

Non-negotiables in core curriculum

Stay the course in implementing best practices

## Lehi Elementary Report Card

We are very excited to report that we have been given the letter grade of a "B" with an overall percentage of 54.33. This is an increase from last year's percentage of 49.0 and the "C" grade that we received. We are only 9.34% away from an "A" grade. In the areas of Language Arts we had Student Growth Points of 51.5, Science Student Growth Points of 42.0 and in Math, our Student Growth Points are 66.0, which is the highest in the comparison group of similar schools throughout the state. (The comparison group is based on similar demographics, size, and socio-economics.) We are extremely pleased as we reached our school-wide school improvement goals in Math and Language Arts of a 3% increase in student achievement for the year. We actually achieved 3.35% in Language Arts and 4.0% in Math. We fell a bit short in our Science goal, achieving 1.67%, which was expected. We will be targeting Science as a school-wide goal to ensure more students gain proficiency. The success we've had this year is attributed to the efforts of the teachers ensuring that all students are learning at high levels. They are stretching the students to go deeper and further in their learning. We have made great strides and will continue to do so with your most valuable support. Lehi Elementary is a great school. Why would anyone want to go elsewhere? Your students are loved and engaged while they are here. We have the right people, in the right place, doing the right things to ensure that all students have all the support to be successful. That's why we were *Best in State* last year. We appreciate the support of our PTA and School Community Council. We couldn't have accomplished all we have without that partnership and support. Our school theme for the year is; "Raising the Bar." With your help we will reach greater heights of student achievement and will help each child believe that they can accomplish more than they think they can.

# Stakeholder Report

2015-2016

## Lehi Elementary Mission Statement

*"Learning at High Levels for ALL Students"*

765 N. Center Street, Lehi, Utah 84043  
(801) 610-8712 office (801) 768-7022 fax

## Lehi Elementary School

**WINNER**  
**BEST OF STATE**

**UTAH 2015**

# LEHI ELEMNTARY, PERPARING STUDENTS TO BE LIFE LONG LEARNERS SINCE 1951

We take pride in our school, our faculty and staff, and especially our students. Teachers work hard to ensure all students receive the education that they deserve.

With support of our parents and community, we know that we will continue the great tradition of excellence at Lehi Elementary. Go Lions!!

## WHAT IS SCHOOL COMMUNITY COUNCIL?

The Utah State Legislature created the Community Council to help bring local control to school governance. The School Community Council works with the school to identify areas of academic need, provide direction in the spending of School Land Trust monies and assist with school improvements.

### SCC MEMBERS

**SCC Chair:** Clayton Grace

**Vice Chair:** Christen Felt

**Parent Member:** Amy Grace, Jodie Harris

Cali Southwick, Cathleen Tronson

**Teacher/Secretary:** Shauna Alvarado

**Principal:** Joel V. Miller

## MEETINGS FOR 2015-2016

- September 17, 2015
- October 22, 2015
- November 19, 2015
- December 17, 2015
- January 21, 2016
- February 18, 2016
- March 17, 2016
- April 21, 2016

All meetings are held in the Media Center or the Conference Room at 3:40 PM. All meetings are open to the public. Agendas for the meetings are posted on the front doors of the school 24 hours in advance.

## Our Trustlands Funds for the 2015-2016 Total Funds Allocated to Lehi Elementary = \$37,020.00

**Goal #1:** Provide student support in Language Arts through our Double Dosing program. We have three teachers who teach before school classes to those students who are below grade level. Total cost for this goal is: \$10,309.23 This covers the cost of the teachers salaries with benefits, and materials and supplies. (We receive a \$6,000.00 grant from the district to offset the cost of this goal.)

**Goal #2:** Provide student support in Math through our Double Dosing program. We have three teachers who teach before school classes to those students who are below grade level. Total cost for this goal is: \$16,909.23 This covers the cost of the teachers salaries with benefits, and materials and supplies.

**Goal #3:** We have established our own Gifted and Talented program and have hired two of our teachers to teach these classes before school. Total cost for this goal is: \$9801.54. This covers the cost of the teachers salaries with benefits, as well as materials and supplies.

### Art Embedded Learning

We are in our second year of being the Beverley Taylor Sorenson Grant school which allowed us to hire an art teacher to provide art embedded learning experiences. Mrs. Jones, our art teacher has studied each grade levels core and collaborates with our grade level teams to provide a left brain, right brain experience of differentiated learning. We've found this to be very beneficial to student learning, achievement and engagement.

2014-2015 DRA Results			
	Fall	Winter	Spring
	% at/above Benchmark	% at/above Benchmark	% at/above Benchmark
K	0%	89%	85%
1st	55%	77%	84%
2nd	60%	83%	84%
3rd	58%	78%	93%
4th	52%	80%	87%
5th	56%	80%	87%
6th	38%	64%	58%
