

Lehi Elementary PTA Newsletter -- January

PTA President's Message

Happy New Year!! I hope you all had a joyous and restful Christmas break and are ready and excited to dig in and start a new year. We have a lot going on in the next few months that we are really excited about. The Spelling Bee and Science Fair will be taking place this month. I hope you encourage and support your kids so they can participate in these great activities. Be sure to check the Lehi Elementary Facebook page frequently for more information. Also, Annie Jr. rehearsals are getting underway with the performances in March. I would just like to thank you for teaching, inspiring, and supporting your kids so that they can achieve great things!

Heather Rasmussen & Amy Grace, Co-Presidents

Science Fair around the Corner!

It's time to start making preparations for this year's Science Fair! **We're in need of volunteers, judges, and donations of science prizes for our event on January 31st!** If

you can help plant the seed of scientific curiosity in our students, whether you have an hour or a day to give, call Jamie Moesser at 801-319-1675.

Project boards can be purchased through the school for \$4 (updated price) until January 10th. More details on guidelines, including links to ideas, can be found at the school website, <http://lehi.alpineschools.org>.

Community Council

Open to everyone, the Lehi Elementary Community Council is an advisory body. Our school receives an annual dividend from the School LAND Trust Program and the council reviews and prepares plans for this and other academic improvements for our students each year (all plans are reviewed by the school board). The council will meet Thursday, January 23rd at 2:30pm at school.
