

Our Mission:
"Learning at High Levels for All Students."

This means we believe that all students can learn. And, it is our stewardship to ensure that we are providing the best educational environment and experiences to help each child learn and grow to reach greater heights.

How are we going to ensure all students learn? Through our Vision and our Values.

Our Vision:
"Effective Collaboration."
Together as individual grade level teams and as a whole faculty, we collaborate to identify what students need to succeed. We analyze data to know exactly how we are doing with every standard and helping every child. We seek out best practices to have the right tools to ignite the spirit of discovery and a love for life long learning.

Our Values:
L.I.O.N.S.
L = Learning for ALL is our Primary Aim.
I = Individual Students are our Main Focus.
O = One Entity, We are United in Purpose.
N = Non-Negotiables, in the Core Curriculum.
S = Stay the Course in Implementing Best Practices.

Don't Forget!!

- 24th First Day for Teacher Request
- 28th Fundraiser Kick Off
Princess Ball @ 6:30 PM

Lehi Elementary

"Learning At High Levels For All Students"

March 2014

Principal's Message

In February, we enjoyed some really fun events. Not only did the students enjoy all the festivities associated with Valentine's Day, but Peggy Eddleman, author of *Sky Jumpers*, visited our school. Also, at the District Spelling Bee, Cooper Doyle represented us well.

This month Willowcreek Junior High come over for a 7th grade transition meeting with our 6th graders, the 5th grade class took the DWA test, and we wrapped up the trimester with a Dental Marionette show for the 1st—3rd grade students.

We began this month with Read Across America and the Battle of the Books. What a great event. The students and all else who were involved had a wonderful day of reading. We want to express our appreciation for Mrs. Peterson and Mrs. Lish for putting it together will all the help and support form the rest of the staff and the PTA.

Reminders: A few things I would like to remind you of, first, when coming into the school, we ask everyone to please check-in at

the office regardless for whatever reason you are there. This will allow us to know who is in the building at any given time and provide means for getter security for the students and staff.

Next, we will be sponsoring our yearly Maturation program for all 5th grade boys and girls on Friday the 14th at 2:15 PM. The girls will be in the library with our school nurse and the boys will be in the gym with presenter Brad Wilcox. This program help students understand the changes they will face as they move into puberty and is a great base for you as parents to build on for more in-depth discussions at home. Parents are encouraged to attend with their students. If you decide you do not want your child to attend this program, you are welcome to fill out the "Opt Out" form that I was previously e-mailed to the parents of 5th graders. If you did not get this form, you are welcome to stop by and get one in the office. The student who do not attend will remain in class.

Don't forget, tickets are on sale right now in the office for "Annie" and for the Princess Ball. The "Annie" performances will be on the 13th through the 15th at Willowcreek Jr, High and will start at 7:00 PM. You can also purchase tickets at the door. The Princess Ball is shaping up to be a magical event for all of our girls. We are appreciative of Missy Zeller and her committee for making this happen. Don't forget to mark the date for Friday the 28th at 6:30 PM.

Go Amazing Lions!
