

Parents,

I hope all of you have a wonderful Easter holiday tomorrow and are enjoying your time with your loved ones.

The **District Battle of the Books** competition today was AWESOME! Our team, the Book Busters, did an amazing job. Out of the 38 teams competing, they took 5th place. In the last two years Lehi hadn't even placed. We are so proud of all the hard work and teamwork of Logan Archibald, Cade Beck, Allie Heath, Jordyn Moyes and Kaden Urrea. Looking forward to next year.

The BYU Science Fair is on Tuesday. We have two amazing students competing in this state competition. Good Luck Laney Carter and Marissa Mallory! We're all pulling for you.

SAGE testing begins on Monday for 4th and 5th graders. Please make sure your kiddos get a good night sleep and eat a good breakfast on the day of their testing. The schedule for the Writing Tests is as follows but can be subject to change: [SAGE Writing Testing Schedule 2016.docx](#)

Kindergarten Registration is this week. Tell you neighbors and friends to come into the school and get your cute kinders registered for next year. At registration you'll be able to either request a teacher or a time. Not both.

On Friday, we will be having our Spring **Munch and Mingle**. You're welcome to come to school during your child's lunch time and enjoy lunch with them. You can either bring food to picnic with on the front lawn or you are welcome to purchase a school lunch for \$3.85. I'm not sure what is being served on Friday but I will check on Monday and email you that information. You will not be allowed to pull your child out of their normal lunch time to eat with their siblings. It's important that we maintain the same schedule as every day. Spread your meal out so no one feels left out. If you haven't come to a Munch and Mingle, I'd encourage you doing so as the kiddos love it and it's a lot of fun for everyone. Here is the lunch schedule: [Lehi Elementary 2015-2016 Lunch Schedule.docx](#)

Teacher Requests for next year was scheduled begin on April 1st however, due to an unexpected staffing situation, I'm putting requests on hold temporarily. Don't worry, you'll still get the same time frame to make request. I will let you know when we will be opening the request window again.

Spring Break is the week of April 4th - 8th. Hope you all have a great break.

Kelly Services is looking for those who are interested in substitute teaching. You can set your schedule and even only work at your kiddos' schools. It's a great opportunity to help out in the schools and to earn a little extra money. See their web site at: <http://www.kellyservices.us/us/ushome/>

Thank you for all your wonderful support.

Joel V. Miller – Principal

This Week's Events:

Mon the 28th

Kindergarten Registration Begins

Choir at 8:00 AM
