

Parents,

Last week's **Safety Week** was a great success. We conducted a fire drill, earthquake drill, lock down drill and a playground lock down drill. The Lehi PD was very pleased with how well the drills went and how well the students did in following procedures. Additionally, the teachers reviewed other safety procedures and policies to include bullying policies.

On Monday of this week, we will kick off with **Super Hero Day**. We are encouraging all students and staff to wear a super hero shirt, if they have one. We will have a special assembly that supports our school-wide focus of Building Resiliency in the students in three areas: **Social Resiliency, Emotional Resiliency and Academic Resiliency**. We believe that if we can help students learn that they can do hard things, solve personal and social problems and believe in themselves, they will do so much better in the three areas of focus. It will be a fun and enriching assembly. We encourage you to discuss with your students what it means to do hard things and, how by doing so, they will become more **confident, compassionate, and capable** in all aspects of their lives. This will help them, specifically, as lifelong learners too.

Our **Spanish Class** for non-Spanish speakers will start this week on Wednesday, in the Library at 8:00 AM. There is a 15 - seat cap on the class, however, the class will run for two months and will be offered again to other students after the first two. We are asking for a \$10.00 donation for this class for materials and supplies that can be paid in the school's office.

Don't forget **Picture Day** on Thursday this week. We will also be ending our **PTA Membership Drive** this Friday. The class that has the most parents join our PTA by percentages will get a fun supply cake for the teacher and a yummy edible cake for the class.

Sky Ridge High School will be sponsoring the **Mascot Bowl** this year. See this attached flyer: [Mascotbowlposter.jpg](#)

Proceeds from this event go towards the Shop with the Jazz Bear at Christmas time for underprivileged elementary students from each Lehi Elementary School. It's a fun event and a great cause.

Our school **Carnival** is scheduled for Friday the 23rd from 4:30 – 7:30 PM, see this attached flyer: [School Carnival 2016.jpg](#)

Reflections is coming and I will be sending more specific information later this week. Lastly, here is a flyer from the **Rippy Literacy Center**: [Rippy Learning center Free Class Handout \(1\).pdf](#)

Thanks for all you do for Lehi Elementary!
Joel V. Miller – Principal
