

10/21/2015 – SCC meeting agenda

The agenda is:

Review minutes from prior meeting

Elect officials (somehow we missed this last few meetings)

Agree on meeting schedule for the remainder of the schoolyear

Review school rating and test results.

We should focus on how the programs we funded last year impacted these results.

Discuss feedback from the teachers

Vote on use of additional funds for Educator Training

How much influence/assistance should the community council provide?

Discuss schedule for creating 2016/2017 school year plan
