

SCC Meeting - Aspen Elementary - 9/30/15

In attendance: Ryan Higgins, Brad Davies, William Shumaker, Lynnette Kelly, Kristen Cottrell, Aimee Allen, Christine Craddock, Hiedi Blackwelder

Minutes Read

We are in favor to use funds to pay for specialty teachers and reading recovery teacher to attend collaboration.

Council Business

Elections should be held yearly. This year they will be held in October. Minutes should be posted after each meeting. Council members are to address the greatest academic needs of the school. They are to be available to answer parent questions. Each agenda for community council must be posted 10 days in advance.

Evacuation Drill

We had a meeting to review it directly after the drill.

Allocation of Funds

We have 17% more than was originally allocated. Discussions included teacher inservice, looking over original plan and viewing needs – possibly science kits, and getting teacher input.

Stakeholder Report

Test scores show that our school rating has dropped. Eight schools in the district are in the same range as Aspen. Areas of concern have been pinpointed. We are working towards improvement and are being proactive to improve scores. The stakeholder report will be coming out next month with information for the public.

State SCC Training

This will be held on Thursday, November 12th at Centennial Middle School in Provo from 6 to 8 p.m.

Digital Citizenship

School Community Councils have a new responsibility involving internet safety and digital citizenship.

Next meeting will be Wednesday, Oct. 21st at 3:45. Moved to adjourn by Christine Craddock, seconded by Kristen Cottrell.
