Safety Concerns in North Parking Lot

To ensure the safety of our students, parents will no longer be able to use the North Faculty Parking Lot as a drop-off or pick-up zone.

Because cars have to cross our north parking lot **Student Crosswalk** twice (once to get in and again to get out) and because there is not enough room for cars to turn around, we are concerned about the safety of our students.

The safety of our students is far more important than the extra small walk some students may need to make. Thank you for cooperation with this important safety matter.

Sincerely,

Kim Roper
Principal
