

Hi! I am so excited to start teaching at North Point this school year, and even more excited to start teaching Kindergarten! I have taught in 2nd and 5th grade in the past, but feel that Kindergarten is where I am meant to be! I am from California, but have lived in Utah the past few years, and love it here. A few more things I love are dancing, music, art and pickleball! I can't wait to get to know my students and help them have the best year!
