

Hello!! My name is Miss Shurtz and I am so excited to learn together this year. I was born and raised in Sandy, UT and have 2 brothers and 1 sister. I also have 12 nieces and nephews who are some of my very favorite people in the world. This year will be my 9th year teaching Elementary School. I have taught 4th, 5th, and 6th grade and am so excited to start into 2nd! When I'm not at school, I love to be outside doing just about anything. My favorites are shooting, fishing, camping, and hiking. I also love to laugh and play games with my people. Let's have the best year ever!!
