- **Summer School Activities:** Keep up with your school skills this summer by using our OES Website Educational Links. These links feature some fun and interactive websites for math, literacy, keyboarding, and other helpful school skills in a variety of subjects. If your child spends a little time each day practicing, they will be better prepared when school starts again next fall. Either click this link: [Educational Link](#) or go to the OES Website and click on the Educational Games/Links near the top right side of the web page. Happy Practicing!
- **Box Tops**—Keep saving your Box Tops over the summer. Our next Box Tops Drive will be in October 😊
- **Parents—we need your help!** 😊 At OES, we rely immensely on the programs sponsored by our PTA to supplement our children's education. Our Fall Carnival on Monday, September 23, relies heavily on the support of local businesses. This is our school PTA's only fundraiser of the year. Parents-- **We need your help getting the support and sponsorship of the local businesses.** Attached is a Business Contact Letter for Donations. We need your help in passing these out to the local businesses and most importantly to the business(es) at which you or your spouse work. THANK YOU!!

(\*Some of the activities the PTA sponsors include: Ribbon Week - Vision Screening - Reflections - Grandparents' Lunch - Make-a-Wish Fun Run - Classic Skate Nights - Storytelling Festival - Parent Teacher Conference dinners - Dad's and Donuts - Mom's and Muffins - Maturation Clinic - WatchDOGS - Field Day - School Ground Beautification Day - 6th Grade Graduation - Yearbook -Teacher Appreciation Week - Home Reading - After School Programs - NOVA - Summer Math Challenge - Book Swap - Community Closet - and MUCH MORE!...

**We can't do this without your support! Help us keep OES awesome!! 😊**

- The **Christa McAuliffe Space Center** is offering three kinds of camps this summer: Super Saturdays, EdVenture Camps, and Ultimate Camps. Due to changes in regulations, the campers *will not be spending the night*, but the missions and the fun are the same. Each EdVenture places the campers in exciting stories that emphasize teamwork, listening, cooperation and problem solving skills. Campers will be surprised that learning can be so fun, challenging, and rewarding. See attached flier or go to: [Space Center Camps 2013](#). Camps are open to ages 10 -14.

- **Attention 4<sup>th</sup>-9<sup>th</sup> graders: Mountain View High School Little League Cheer Tryouts** will be Tuesday, May 28, 2013 6:00pm-7:30pm (parent meeting at 7:30pm) at Mountain View High School in the cheer room (meet at the Gym). Tryout Cost: \$0. Come learn all of the skills needed to move on to High School Cheer including cheer, dance, tumbling and stunting. *Girls and boys welcome!* Over 80% of the kids that have done this little league program and have tried out for high school cheer have gone on to make the MVHS highly competitive team. The MVHS Little League Cheer Team will be cheering for boy's football games in the fall at both the little league level and some high school Sophomore games. Based on number of cheerleaders on the team, groups will be divided to cheer for age groups similar to the cheerleader's age. Costs have been reduced to more than  $\frac{1}{2}$  of what they have been in the past in an effort to give more kids an opportunity to participate. Please contact Coach Halli Bunker at **801-473-8975** if you have questions or are unable to make this tryout but interested in participating.

**Have a safe and fun summer!!!**
