## 5th Grade

### Attendance

Success in school is very much related to school attendance. Please try your best to reduce the number of days your child is absent. When students are absent, you're welcome to come in and pick up their homework, or send in a sibling to pick it up for them. Otherwise, they can get their homework from the teacher when they return.

### Curriculum

What we cover in class is based on the New Utah Core (math & language arts) and Utah State Core Curriculum (science & social studies) for fifth grade. For a detailed description of the curriculum you can go to <http://www.uen.org/core/>.

### Discipline

Students are expected to contribute to an effective learning environment. Positive reinforcement of appropriate behavior will be stressed. On going misbehavior will result in home notification. School and district guidelines will be followed.

Everyone deserves to be treated with respect. When a student breaks a classroom or school rule they will be disciplined with respect.

If your child is ever bullied on the way to school, at school, or on the way home from school, please let the principal or the teacher know. Bullying is not tolerated.

### Supplies/Donations

All necessary supplies are provided. However, many students like to bring in their own supplies as well.

If students would like to donate one or more of these items to their classroom it would be appreciated:

- Kleenex
- Wet Wipes
- Hand Sanitizer
- Paper Towels
- Cash donations

**NOTICE: THE ITEMS ON THIS LIST WILL BE USED DURING THE REGULAR SCHOOL DAY. THEY MAY BE BROUGHT FROM HOME ON A VOLUNTARY BASIS; OTHERWISE, THEY WILL BE FURNISHED BY THE SCHOOL.**

### Grading

Grades can always be checked on Skyward on a weekly basis. Please let us know if you have any questions. Grades will be sent home at the end of each semester in the form of a report card with their final grades sent at the end of the year.

	Grades are broken down into these categories: (Participation is factored into each category)			
Language Arts	Math	Science	Social Studies	
Assignments Grammar Handwriting Reading Writing Spelling	Assignments Tests	Assignments: Earth's Surface Chemical/Physical Changes Magnets /Electricity Heredity/Adaptations	Assignments	

### Homework

Students are expected to read for 20 minutes each school night – 5 days a week. They will be given a home reading calendar to track their minutes.

Students will have a spelling assignment to complete each week. These spelling assignments will be given out on Monday and will be due on Friday.

Students will have math homework to review concepts when needed. Math homework will also consist of work not completed in class. Math homework is always due the next day.

Here's the homework you should plan on each night:

- \*home reading – 20 minutes each night
- \*math when assigned
- \*complete spelling assignments
- \*review times tables
