OES Parents--

Our school is again participating in the Road to Success Reading Program. It provides a framework with tools for educators to help students, and incentives to motivate students to **Read Every Day**. Students have opportunities to earn bonus incentives and each student who reaches weekly reading goals will receive an entry into a drawing for prizes including a grand prize certificate from Walmart.

This year students will be recording their reading online. A letter was sent home with a registration code at Parent Conferences. Another registration code form with instructions was sent home last week on your child's library day. We are encouraging all students to be signed up by the week of November 19-22 so they can choose a prize from the treasure chest. **Once you sign up remember to record reading minutes at least weekly.** Here is the link for the website: [Road to Success](#)
