AUCTIONS

- 5:30PM, Cake Auction. We will auction off the winning cakes from the cake decorating contest judged earlier in the day so don't miss these wonderful cakes. You will also have an opportunity to purchase some of the other cakes that were entered at the bake sale table.
- 4:00PM-6:15PM Silent/Live Basket Auction. Begin by getting your bidding number. Then browse through the tables and bid on the baskets and/or gift certificates that you would like. Check back often because someone may quickly try and outbid you. All items this year will be handled as part of the silent auction and your bid will be put on sheets by your number. Look for many popular items such as tickets for the Grizzlies, Hale Center Theater, Provo Canyon Adventures Zipline, BYU signed football, BYU signed basketball, UVU All Sports Pass and Items (\$300+ retail value), DoTerra basket (\$200 retail value), just to name a few. We will also have proxy bidders on hand if you would like to leave your maximum bid on an item.

At 6:15pm, the basket area will begin to close. The first section will close at 6:15pm, the second section at 6:25pm and the final section at 6:35pm. The rotating closing will give you a chance to continue to bid on open tables. We will be announcing the details throughout the evening at carnival. Once an area is roped off, no further bids will be accepted for that area. The last bidder on the sheet wins that item. We will then quickly put the bid sheets in numeric order then call you up to pay and collect your items.
