#### Business

Celebrations:

Hope Squad is going well. It started in Utah and now is in several states. Hope Squad came and filmed our students and put a video together to show the other schools about the program.

We have a few students who have really benefited from the students helping each other.

#### Teacher Presentations

First Grade - Griffith, Conover - Thank you for the collaboration time. We were able to accomplish the following:

Work on Wonders - Charts, assessments, wonder sheets, helped us become more familiar with the Wonders units, integrated Wonders in the science, writing and arts.

Anchor Charts

Dibels scores discussion- find available appts, implement the binder the District Coach provided.

-Third Grade - Saunders/Mitchell: Thank you for being able to have this collaboration time so we could do the following:

Develop intervention strategies

Create and implemented intervention plan

Adjust Language Arts

Adjust math pacing guide

Develop small group plan for wonders

Entered Language Arts and Math scores

Created and established assessments aligned with Sage Testing  
Discussed and determined correlation of assessment skills for Sage Testing  
Developed an implementation plan to introduce all of 3<sup>rd</sup> grade to Utah compose.  
Formalized math assessments for standardized core math skill/essential from Go Math.

SCC Goals for next year

Lower grades: 85% efficient measured by Dibels

Upper grade: 80% essential standards

For students who can't obtain the percentage we would like to see improvement by 25%

#### Proposals:

Summer Collaboration days for next year 41 days funded by the District, we would like to write in the budget for next year \$7,000.00 for SCC to help with summer collaboration. This will be paid out in October of 2017.

#### Other Business:

Standard base report cards were discussed in the CTL meeting. We will gradually do a transition next year so in 2017-18 school year we will be on Standard Base.

Andrea Park will compile next years SCC budget. An e-mail will go out tomorrow with the details to all SCC members. Please watch for this in your email, you will need to vote on it and return it to Mrs. Park.

An Email will be going out today for nominations for SCC committee. A ballot will be available to all student guardians via e-mail (hard copies available in the office). Nominations will be due April 25. An additional email will go out for the voting. Voting will close May 9.

Our Next Meeting: Tuesday, May 16 @ 10:00 am

School Improvement Plan Goal: Eighty percent of students in grades kindergarten through third will reach benchmark in reading, based on the DIBELS assessment, by the end of the year.
