## STAKEHOLDERS REPORT

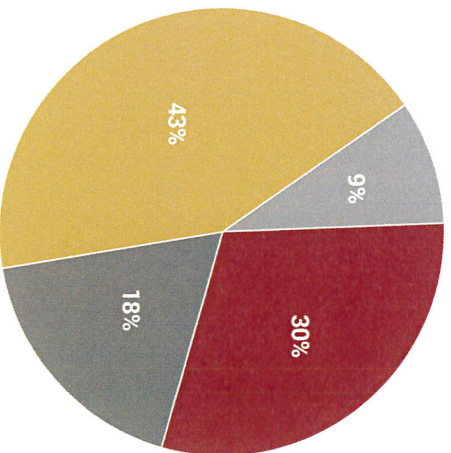

### GOALS

85% of the students in grades K-3 will reach the reading benchmark by the end of the year or demonstrate a year's growth in the 2018-2019 school year.

Students in grades 4-6 will reach 80% proficiency on grade level math assessments or make a 25% growth during the 2018-2019 school year.

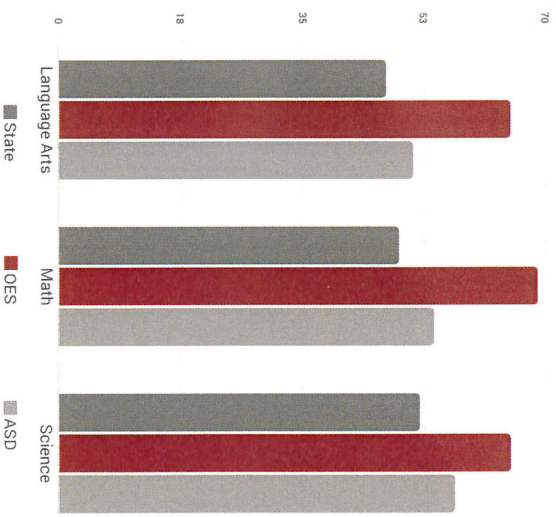

### 2017-2018 LAND TRUST EXPENDITURES

BUDGET: \$56,384

- Teacher Professional Development
- Technology
- Interventions
- Educational Supplies

### SCHOOL PERFORMANCE DATA

Based on the data gathered by the Utah State Board of Education, Orem Elementary received an exemplary achievement and a commendable growth score. This score is based on the number of students who reached proficiency in their respective subjects.

The graph above illustrates that OES scored well above the state average.

This data is used to formulate lessons that will accommodate the needs of each individual student.

## SPECIAL PROGRAMS

To ensure well-rounded students, OES provides specialized programs in the following areas:

**ALL:** Advanced Learning Lab for grades 4th - 6th.

### Ballroom Dance

**Battle of the Books:** A reading competition for 3rd - 6th grade students that enhances their love for reading.

### Choir

**Farm to School Fuel Up to Play 60 Grant:** An in-school nutrition and physical activity program launched by the National Dairy Council and NFL. This year, we received a Farm to School grant, allowing us to plant a school community garden on the school grounds.

**Great Artists:** A program taught by volunteer art docents. Students learn information about master artists and get to create art in the style of the artist.

**Hope Squad:** A group of 4th - 6th grade students who are trained to reach out to students who need a friend.

### Knowledge Bowl

**OEK:** Optional Extended Kindergarten

### Orchestra

**Recipient of the Beverly Taylor Sorenson Art Program Grant,** allowing OES to have a full-time music teacher.

**Specialty Classes:** Computers, Music, PE, STEM

## INSTRUCTIONAL TECHNOLOGY

Every student at OES has access to:

Computer Lab Desktops  
Chrome Books  
iPads  
Classroom Projectors  
Document Cameras  
Classroom Apple TVs

Every student participates in digital citizenship training, which includes year-round focus on the importance of being a responsible digital citizen. Students also receive training through a NetSmartz assembly from the state of Utah.
