PTA PRESIDENTS' MESSAGE

Happy December Ridgeline! What a wonderful time of year! This month will be short and sweet at our school as we wrap up 2012. We do want to thank you for all the support we have received this year. Dozens of volunteers that make our programs possible, and tons of wonderful parents that join our PTA and help support us financially by purchasing Spirit Wear and helping our fundraisers. Thanks for making Ridgeline a wonderful place to be!!

As a new year approaches, we start planning and searching for new people to come and join our PTA leadership. We always appreciate new ideas and new friends!). So if you were ever interested in helping plan some of the programs at our school, or have a great idea for something we should try at Ridgeline, please join us on our PTA Board for next school year!! Keep an eye out for the signup sheet going out in Wednesday Folders this month, fill it out and send it back in. We'd love to have you!!

On December 17th we will be having our Kindergarten Christmas parties, and everyone else will hold theirs on December 19th, along with our famous school-wide Christmas sing!! We hope everyone can attend, it's a really fun way to kick off our Winter Break.

We also want to encourage anyone who is able to please donate to our Sub-for-Santa program. We have a beautiful tree located in the front kiva with tags that are labeled with items needed. We are sponsoring 12 families from our school community that could really use some help to make this Christmas season brighter for their families. Please join us in this effort. All items are due back to the school, unwrapped, by Friday December 14th. Thanks you so much for your kindness. Merry Christmas! Veronia Reginato, PTA President
