Parents,

Principal's Message

What a wonderful time of year. In the spirit of this holiday season, I want to express my gratitude for being a part of Ridgeline Elementary. I count myself lucky to be able to associate with the parents, staff, faculty, and students of this school. Thank you all for supporting Ridgeline and helping to make our school a fun, productive, and safe place to be. I hope all our students and parents love Ridgeline and are proud to be Raccoons. This is a great place to be!

I would like to remind all of the parents how our drop-off zone in the front of the school works. **Parents, please pull up to the green zone to drop off your children. Please do not drop them off in the crosswalk area.** We are also noticing parents who are double parking in the drop-off area and having their children run in front of other cars to get to their car. Park in a single-file line in the green zone to help insure the safety of all of our Ridgeline students.

I would like to also remind you of Alpine School District's policy regarding food items brought to the classroom. **Any food item to be consumed by the students must be commercially prepared and/or commercially packaged. Homemade treats are sadly not permitted.** We have a multitude of students with mild to severe allergies that we need to be very careful with. We appreciate your contribution to our classes and your willingness to keep all of our students safe and healthy!

Thank you,

Ken Higgins, Principal

We are super excited about our new Reading program! Look for up coming announcements on Read Today and go online and look at what you can do with your child TODAY!
