Professional development

Budget of \$65,000 2016/2017

Budget of \$88,209 2017/2018

Ideas for funds for the 2017-2018 school year: additional chromebooks next year or ipads, updates to the sound system in the school, which is 12 yrs old (the cost is approximately \$800 per room). The stage sound system could also use some updating-wireless microphones, etc. Increased aide help, especially K-3 (DIBELS and progress monitoring) would be beneficial.

SNAP Plan:

Highland Blvd. crosswalk will be moved up to 11800 N. This should be complete next school year. There will be a flashing light and a crossing guard.
