How Much Do We Love Sage Hills? Let Me Share Our Top 10 Reasons

I love being at Sage Hills! I decided to have some fun with Valentines Day. I asked staff members, students, and parents what they love about Sage Hills. We want to share with you our top 10 reasons why WE LOVE Sage Hills Elementary.

- 10 ~ The parents who volunteer and help in our classrooms and school.
- 9 ~ The PTA and their fun activities.
- 8 ~ Alpine School District for their vision and support for all students and employees.
- 7 ~ Curriculum that prepares each student for future life experiences.
- 6 ~ Sage Hills Mission Statement, which states: "Educating ALL students to recognize and achieve at their highest potential."
- 5 ~ The "yummy" lunches that are served in our lunchroom.
- 4 ~ Our phenomenal support staff: librarian, lunch ladies, custodians, aides, computer tech, and psychologist.
- 3 ~ A beautiful new building to learn in. With the most gorgeous view in the district!
- 2 ~ Kids who want to come to school everyday ready to learn and "Fill Each Other's Buckets."
- 1 ~ Dedicated teachers who love each student and want them to achieve academically.

So if anyone is wondering, "We have a fantastic school!" Share the news with others. This is an exciting place to be and we are grateful to experience this every day.

Planning a Vacation in the Spring?

We would really appreciate your help
 in having students to school during
 State Core Testing.

Testing Dates: April 16th -May 24th

Please plan around these dates.

Spring Break is April 9th - 13th

Don't forget to turn your Box Tops in at the Library! We think we will reach the goal to get a popsicle party by the end of the year and so we are anticipating that in the Spring!
 ☺ All the Box Top Funds this year will go into class set books that will stay at the school and teachers can check out for use in their classroom.
