Principal's Message

Parents,

As we begin the last month of school, I reflect upon the wonderful and exciting things that have happened at Sage Hills the past five years. It has been a wonderful journey! "Oh the places we have gone!"

It has been my privilege to work with wonderful people on our staff! Our school has been blessed with people who care about children and parents. We are so lucky to have great people in our school boundaries. I have been so pleased with all of the volunteers we have had in our building! We have marvelous PTA support and help. Our PTA has provided so many great activities for the community.

I would like to express my gratitude to our PTA and SCC for all of their strength and support. Thank you for caring and giving of your time and talents.

I would like to thank all of you for being a part of my life for the last five years. Thank you for allowing me to be a part of your child's life. I love and appreciate every child! They will be a part of my memories forever.

Please know that I appreciate the experience I have had! Thank you.

~Mrs. Holbrook

Dress for Success

With the onset of warmer weather it would be good to review the expectations for how students should be dressed that are printed in the Sage Hills handbook you received at the beginning of the school year.

It may also be accessed online by way of our school website. There are many wonderful outfits that may be great for spring and summer fun at home and in the neighborhood, but some of these outfits are not appropriate for the school environment. Please pay special attention to guidelines about shorts, skirts, sleeveless tops and flip-flops.

Thank you for helping us limit classroom distractions and ensure student comfort and safety by sending students appropriately dressed each day.

Calling all 2014-2015 Kindergarten children who have not registered, please come to the school to register soon. We need to know the enrollment count for kindergarten so we have the appropriate number of teachers. Please pass the word along to new neighbors and those who do not have older siblings at Sage Hills.
