

COMING JOIN THE SARATOGA SHORES CHESS CLUB!

Help make this school year (2015-2016) another great year of chess! All grades and levels of experience are invited to join. Studies have shown that kids who play chess do better at math! Last year we had over 100 students join our club, placing at several of the local and regional tournaments and bringing home more trophies to display at Saratoga Shores Elementary. Nick Allred, who teaches 6th grade A.L.L., and Mrs. Taylor, our computer specialty teacher, is continuing on this year as our chess coaches. We are please to announce that Korin Ross, a 5th grade teacher, will be joining our coaching staff this year. By teaming together with several really awesome parent volunteers and really awesome kids, we have a recipe for success! **If your child is interested, please complete the lower portion of this flyer and turn it into the office along with \$20 to cover the cost of a chess t-shirt and trophies/medals for tournaments held at Saratoga Shores.** Chess will be held every Thursday from 3:30 to 4:15 in the media center starting Oct 22nd (right after Fall-Break) and will run through March 31 (right before Spring Break). There will be no bus service. Parents will be responsible to pick up their child promptly at 4:15. Those students who are early birds will have to go home and then return at 3:30. (Anyone that has difficulty doing this because they live far away, etc, please email Kristy Taylor (kristytaylor@alpinedistrict.org) so that we can work something out (I do allow 5 to 7 kids to do their homework in my computer lab during B track time and to help set up chess boards, etc.). The deadline for turning in forms is Oct 21st.

Thanks, Kristy Taylor/Nick Allred/Korin Ross

Child's Name _____ Grade ____ Teacher _____ # Yrs of exp _____

Parent/Guardian's name _____

Home Phone _____ Cell # _____

Email address (please include-this will be our #1 way of communicating with you) _____

Emergency Contact _____ Emrgncy ph# _____

Relationship to child _____

I would like to be a parent volunteer: (We do need about 3 parents that are willing to come help out on a weekly basis. These parents will not have to pay the \$20 fee).

Yes, weekly Yes, for school tournament on Feb 18th No, not at this time.

T-shirt size _____
