

School Community Council Meeting

(October 18, 2016)

Trust Lands Funding - Vallen Thomas

Trust Lands will continue to be used to fund flex time

TSA and Mr. Brady have helped to create a Literacy intervention program - Amplified programming

Aids have been trained on how to give the Dibels testing

Progress monitoring by the aids will help determine when students have mastered a concept.

STARS is still being used to help students who are in need of reading interventions.

Progress monitoring is done k - 3

- i. Progress monitoring will be used to help give kids who are almost getting a concept the push that they need to obtain mastery.
- ii. Teachers will work with the teachers for more intensive interventions.

STARS is available to the upper grades as well.

DRA - is used to assess students fluency. It is no longer reported to the district. It is used to guide reading instruction in the grades.

Trust Lands will be used to help replace some technology.

- i. Ipads
- ii. Lap top computers
- iii. Mastery Connect is not paid for by trustlands funds.
- iv. Myaccess is not funded by trustlands

Trustlands are being used to purchase new computer carts.

Trustlands will be used to purchase TV's for classrooms.

- i. We have \$4,000 extra which can be used to purchase more TV's.

Specialty Teachers.

The Specialty teachers who were chosen to stay, were chosen because of seniority.

- We have several teachers who have music backgrounds.

Music is being taught by several teachers within their classrooms.

There are about 35 teachers
