Dear Parents of Saratoga Shores Elementary:

Each year we have many questions regarding school supplies for the coming school year. Wanting to be sensitive with the needs of our community the district and the school have re-allocated funds to help cover classroom supplies. While donations are still welcome, we will not be asking for supplies or posting teacher wish lists.

We hope this helps lighten your load, as you are getting ready for the new school year. We appreciate your support in all that we do.

Respectfully,
Dr. Vallen Thomas
Principal
