

“Just last night my wife and I were talking about our daughter’s recent be-

havior and how much more responsive she has been in thinking about her actions. We’ve been trying hard to reinforce values with her but also feel that the Troll Patrol has been influential in helping her process her actions and their possible consequences before she acts on impulse. Thank you to those who have been responsible for implementing this program, it appears it is helping my already wonderful daughter be more responsible, and even more wonderful.” Jon Christensen
