Angi talked about the UVU conference. Teri Harman was a presenter there. Teri writes the Book Matters column on KSL. She presented about reading at home, research on having books at home, and things parents. PTA sponsored this event.

- **Recess Before Lunch update and volunteer assignments**

The second grade has done a run through this week of lining up outside and going through the lunch line as a grade level. They took 4 minutes to go through the lunch line. We want to have each grade level try it for one day at a time.

Concerns: try first grade on Friday.

- Bathrooms-is it too long of a time? Will teachers take them to the bathroom? (We think that students should be allowed to use the bathroom if they need to.)
- Balls and equipment-there will be equipment outside for students to use. They will not need to use classroom equipment.
- Outside Lunch-possibility of having a designated area north of the sidewalk in the
- Noise by Kindergarten room-create a quiet zone. Put a sign up.

We need volunteers April 23-27. We need volunteers from 11:10-12:10. 5 parents would be ideal. Parents will be in charge of getting 5 parents to come.

Monday-Carol

Tuesday-Christine

Wednesday-Sarah
