PRINCIPAL'S MESSAGE

Dear Traverse Mountain Community,

As we commence the month of Thanksgiving, I would like to express my thanks to everyone for being a part of many wonderful things happening at Traverse Mountain Elementary School. Although the list could go on and on, here are just a few...

- Parent helpers in the classroom helping students with reading and other academic needs.
- Students that are kind to one another and help others when things don't go as planned.
- Teachers that collaborate so well in providing the best possible program for all students in the school.
- Our wonderful School Community Council and PTA, including the executive board, all of the committees, and busy room moms. They put in many unselfish hours to benefit students and assist in providing a well-rounded opportunity for all.

We sure appreciate everyone's support of our first ever Fall Carnival. I believe nearly every Traverse Mountain resident came out to enjoy the fun times. It was nice to have a community event where we could all come together and associate with family, friends, and neighbors.

We are looking forward to a productive month of November and appreciate the support you give to your child and our school.

David Stephenson
Principal

PTA PRESIDENT'S MESSAGE

To say October was busy would be an understatement! From Parent Teacher Conferences to the Fall Carnival, we certainly had a lot going on at our school. I would like to thank you for the patience and understanding that was given during this time. With every new school, there are new traditions that are put in place. We certainly hope that the Fall Carnival will become a fun family activity that you can share with your children each year. We had tremendous support from our parents, local businesses and from our community and would like to thank everyone that put in countless hours in making sure it was a huge success! We would especially like to thank Melinda Lewis for organizing the Carnival as well as our incredible Room Mothers who made it happen. In a collaborate effort, we were able to raise close to \$3,000 for our School library. Way to go Traverse Tigers!
