- Takes the transportation of students very seriously
- We know the decisions we make effect many people
- State provides funding for every route.
- Discussion about changing times so students aren't waiting so long outside before school starts.
- Solutions and suggestions: putting schools on same bus; adjusting bell times – (only board, cabinet, could address this issue)
- Recommendation: work with principal and Starlene Holm; contact board member, Wendy Hart; Derek will send his recommendation to the community council.

4<sup>th</sup> Grade Summer Collaboration: Rose Fjeldsted

- “The time was really valuable to our team.”
- 4<sup>th</sup> grade went to Standard Based report cards
- Reading: all standards that need to be taught are on a graphed sheet; produced quizzes and assessments; we were able to come up with a plan so now we are all on the same page; we valued all of the time we spent.
