

2019-20 School Access Route Plan

Eagle Valley Elementary

In accordance with state standards, Eagle Valley Elementary has identified school access routes for Eagle Valley Elementary students who live within the walk boundary established for the school. A map showing the identified routes can be viewed by following this link <https://www.saferoutesutahmap.com/map/school-maps/eagle-valley-elementary-692>.

The intent of a School Access Plan is NOT to identify every school access route or to identify the more convenient school access routes; it is to identify main walk/bike routes that students can use to get to school. Care has been taken to consult with local law enforcement, school PTSA and School Community Council representatives, and the District's traffic safety committee in establishing school access routes. Despite broad consultation and agreement from all participating parties, no one, including the Alpine School District and Eagle Valley Elementary can guarantee that the agreed upon access routes are or will ever be completely free from hazards.

Parents are encouraged to review and then walk the access routes with their child/children, to address specific concerns they may have, and to instruct their child/children to obey the laws and rules pertaining to pedestrian safety. If a parent feels their child/children should use an access route that IS NOT identified in this plan, it is their prerogative to instruct their child/children differently.

As previously stated, the intent of a School Access Route Plan is NOT to identify every school access route or to identify the more convenient school access routes. For this plan, school access routes have been identified and are described below.

School Access Route Descriptions:

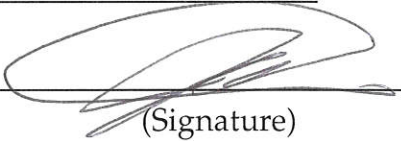

1. Once you come to Heritage Rd we recommend the following route to ensure kids safety.
2. If entering Heritage Rd. from the North you will walk southbound and pass Independence Way and then turn right on the school sidewalk and make your way into the school.
3. If entering Heritage Rd. from Cedar Trails Way you will go Northbound until you come to a crosswalk. You will cross going west and make your way into the school.
4. If entering Heritage Rd. from the South you will use the crosswalk at American Way and continue northbound until you hit the next crosswalk. You will cross going west and make your way into the school.

5. If entering Heritage Rd. from the South and your walking on the west sidewalk you will walk Northbound past Talon Way and pass the chain link fence on the west and make your way into the school on the paved sidewalk.

Issues Requiring Attention from Alpine School District	New Issues Requiring Attention from a City or UDOT	Past Issues Requiring Attention from a City or UDOT
