

SCC Meeting February 17, 2021

Carla- Leading the Meeting

In Attendance:

- In-Person: Carla Jensen, Suzanne Schiess, Ashlee Allred, Jessica Young
- Virtual: Jeana Swapp, Marcus Griffin

School Improvement Plan Rough Draft:

- Reviewed Goal #1: The percent of 1st - 3rd grade students reaching benchmark on Acadience will increase by 2% at the end of the 20-21 school year as compared to K-2nd grade students at the end of the 2019-20 school year.
 - Where we currently are now (Middle of the Year):
 - K = 58%
 - 1st = 71%
 - 2nd = 74%
 - 3rd = 50%
 - Want to suggest that we change to “above 80% in all grade levels”
 - Haven’t asked all the teachers for their input.
 - In the future look at this before we do Acadience MOY testing so teachers know what they are working for and maybe we can get teacher input on the goal even.
 - Carla will make the change the goal for the K-2nd grade to “76% proficient”.
- Reviewed Goal #2: The percentage of students in 4th-6th reaching proficiency in all RISE tested subjects will increase by 2% at the end of the 2020-21 school year, as compared to the students in 3rd-5th at the end of the 2019-202 school year.
 - For ELA: Other than 5th (54%), everyone else is about 40%
 - Carla is planning on making the change “Because the benchmark bar has already been raised, we plan on increasing by 1%.”
- We need to include the assessments that will be included and an action plan. This is mapped out on the pages that Carla handed out to us.
- Family Math night- inexpensive about \$500, usually have Mathnasium sponsor

- Stem Night brings the community together around families and their children's education
- STEM money- about \$150 for each teacher to provide STEM supplies for classrooms
- Aide time
- Professional Development
- Updating technology
- Carla will write up the School Improvement Plan and send everyone out a copy.

Reading Challenge:

- In March- move the Stem and Math Night money moves to March. Reading Challenges get kids reading.
- Moving money- approved
- SCC is welcome to come pass out prizes or participate in any of the activities that go along with the Challenges
- Book Trailers- done by teachers and parents- favorite books do trailers (book hooks) on Loom
- Pictures in the Windows- pictures of teachers reading- windows next to our doors, pictures of parents reading to hang around the school
- Keeping a graph of minutes read- bar graph? Living graph so students can see how classes are doing- reach out to parents for help in how to do this?
- Event ideas- school wide read-a-thon (PJ day) Tuesday, March 2nd for Read Across America Dr. Seuss's Birthday, Dress up like favorite Book Character day just as part of the challenge, Movie from a book that teachers can show in class,
- School wide book that we can read as a class read aloud- picture book that can engage all students from younger grades to upper grades (SCC provide picture books- maybe even a new book for each week 4 books)
- Bingo Board challenge- complete the bingo board a prize for each student- front side bingo board, back side book lists for ideas
- Die cut of a book- students write their name on the book then post on the wall all around the school
- Books should be on their independent level
- Each student could create their own Book Ads
- Finale prize- magician assemblies by grade level, or author visit
 - Shannon Hale, Brandon Sanderson, and Richard Paul Evans were mentioned
- A Possible Theme of the week with the book: "Oh the Places you GO" is Oh the place you will go when you pick up and read a book.
