### **Review expenditures for 2019-2020**

- Computer network has been down so we don't have the exact figures for last year yet
- Looking at 2020-2021 expenditures: Aide money will be used, 32 chrome books were purchased, summer collaboration took place, there will probably not be opportunities for professional development conferences so we might need to look into doing something else with that money

### **Review Teacher and Student Success Act funding**

- TSSA funds have enabled us to have a part-time counselor and a part-time psychologist
- There's about \$8500-9000 to spend this year and about \$1400 left from last year—this money will be used to pay for intervention aides in the classroom

### **Reviewed Test Scores**

- Reviewed Acadience Reading Scores for 1<sup>st</sup>-3<sup>rd</sup>—most concerning data point was that 78% of Kindergartners in 2019 were reading at or above grade level but as 1<sup>st</sup> graders in 2020 only 31% are at or above grade level
- Aides to help in the classroom so that teachers can provide one-on-one intervention would be helpful
